SUMMER SCHOOL

SPINALONGA 2023 STIGMA IN MEDICINE

DIRECTORS OF THE SUMMER SCHOOL:

- **Professor Marianna Karamanou**, Department of History of Medicine and Medical Ethics, Medical School, National and Kapodistrian University of Athens, Greece
- **Assistant Prof. Gregory Tsoucalas**, Medical School, University of Crete, Greece

CO-DIRECTOR OF THE SUMMER SCHOOL:

- **Dr. Spyros Michaleas (BA, MA)**, Department of History of Medicine and Medical Ethics, Medical School, National and Kapodistrian University of Athens, Greece

This three-day summer school will provide theoretical and practical training (workshops) in stigma related diseases and social discrimination. We will also discuss applications to reveal and manage stigma in medicine, using real world examples.

THE MAIN TOPICS OF THE SUMMER SCHOOL ARE:

- **Stigma in history of medicine**
- **Ethical approach of stigma**
- **Communication skills in patient-doctor interaction**
- **Narrative medicine and stigma**
- **Social and economic aspect of stigma**
- **The patients' voice**

PARTICIPATION CERTIFICATE

At the end of the Summer School a participation certificate will be provided from the Centre of Continuing Education and Lifelong Learning (CCE/KEDIVIM-National and Kapodistrian University of Athens) and ECTS will be granted.

EXTRACURRICULAR ACTIVITIES

During the summer school extracurricular activities will take place for free such as a guided tour at Spinalonga Island (a leper colony of the past), as well as, guided tours in museums and places of historical interest.
