

## Agenda

ASCO Facilitator: Dr Evangelia Razis

Chairs: Dr Ioannis Boukovinas, Dr Nikolaos Tsoukalas, Dr Christos Lionis

| Friday                                        | February 9 <sup>th</sup>                                                                                   |
|-----------------------------------------------|------------------------------------------------------------------------------------------------------------|
| Time                                          | Topic                                                                                                      |
| 09:00                                         | Welcome                                                                                                    |
| 09:15                                         | Introduction                                                                                               |
| <b>Preface</b>                                |                                                                                                            |
| 09:30                                         | Cancer overview                                                                                            |
| 10:00                                         | Cancer statistics, GCP (the Cretan Cancer Registry)                                                        |
| 10:15                                         | Lung Cancer registry and the role of GP                                                                    |
| 10:30                                         | Coffee Break                                                                                               |
| <b>Cancer control in the Community</b>        |                                                                                                            |
| 11:00                                         | Role of the primary care physician in cancer control efforts                                               |
| 11:30                                         | Barriers and challenges in the implementation of cancer control plans in primary care                      |
| 12:00                                         | Breakout sessions: Advocacy and cancer stigma                                                              |
| 13:00                                         | Lunch                                                                                                      |
| <b>Cancer Prevention and Health Promotion</b> |                                                                                                            |
| 14:00                                         | Behavior-based determinants/ risk factors (tobacco, diet, exercise, alcohol) and cancer in detail          |
| 14:30                                         | Environmental risk factors                                                                                 |
| 15:00                                         | How to communicate about behavior change and cancer prevention with your patient                           |
| 15:30                                         | Role playing: Cancer prevention                                                                            |
| 16:30                                         | Coffee Break                                                                                               |
| <b>Cancer Prevention Measures</b>             |                                                                                                            |
| 17:00                                         | Infection-related cancers                                                                                  |
| 17:30                                         | HPV and hepatitis vaccines                                                                                 |
| <b>Cancer Genetics and Family History</b>     |                                                                                                            |
| 18:00                                         | Role of genetics (and consultation) in cancer                                                              |
| 18:30                                         | Helping patients with their family history understand their own risk. When to refer for genetic counseling |
| 19:00                                         | Discussion and wrap up Day 1                                                                               |

| Saturday                                                  | February 10th                                                      |
|-----------------------------------------------------------|--------------------------------------------------------------------|
| Time                                                      | Topic                                                              |
| <b>Cancer Early Warning Signs</b>                         |                                                                    |
| 09:00                                                     | Symptoms and signs associated with cancer                          |
| 09:30                                                     | Approaches to early detection, including screening                 |
| 10:00                                                     | Coffee Break                                                       |
| <b>Cancer Early Detection</b>                             |                                                                    |
| 10:30                                                     | Lung                                                               |
| 11:00                                                     | Breast                                                             |
| 11:30                                                     | Cervical                                                           |
| 12:00                                                     | Colorectal                                                         |
| 12:30                                                     | Prostate                                                           |
| 13:00                                                     | Lunch                                                              |
| <b>You suspect your patient has cancer: what is next</b>  |                                                                    |
| 14:00                                                     | The cancer journey                                                 |
| 14:30                                                     | What to do when a patient has a poor prognosis                     |
| 15:00                                                     | Overview of cancer treatments and toxicities; what to expect       |
| 15:30                                                     | Referral networks in Greece                                        |
| 16:00                                                     | Cancer continuum                                                   |
| 16:30                                                     | Coffee Break                                                       |
| 17:00                                                     | After treatment: survivorship and the primary care physician       |
| 17:30                                                     | Supportive care and palliation cases                               |
| <b>The Healthcare System and Cancer Prevention Policy</b> |                                                                    |
| 18:00                                                     | National cancer control plan                                       |
| 18:30                                                     | Integrated Healthcare System                                       |
| 19:00                                                     | Discussion and Seminar wrap up                                     |
| 19:30                                                     | HeSMO's Unified Initiatives Across Greece: Empowering the District |
| 20:00                                                     | Closing Ceremony                                                   |
